**2023 International Congress on Advances in Nuclear Power Plants**

**April 23 (Sun) – 27 (Thu), 2023 | HICO, Gyeongju, Korea**

# AUTHOR KIT

ICAPP 2023 will have full-length technical papers (8-10 page) or extended abstracts (2-page) which will be peer reviewed and published in Conference Proceedings, available at the meeting. At least one author is required to register for the congress and present his or her paper.

## **Paper Deadlines**

Abstract Submission Due: November 28, 2022

Review Notification: December 26, 2022

Full Paper / Extended Abstract Submission Due: January 27, 2023

Revised Full Paper / Extended Abstract Submission Due: February 24, 2023

## **Step 1: Online Submission of Abstracts by November 28, 2022**

Authors should [submit 500-word abstract \(text only\)](#) with name, affiliation, address, phone, fax and email information. Please indicate your choice of Technical Track Number and your presentation type between Oral and Poster. Track descriptions are shown on the [Technical Tracks page](#).

## **Step 2: Online Submission of Full Papers or Extended Abstracts by January 27, 2023**

Once abstracts have been accepted, authors may then upload their '8~10-pages full papers' or '2-pages extended abstracts' for review. Please upload copies of both a PDF and Word file of your full paper/extended abstract. Instructions for preparation of full papers/extended abstracts will be noted in the Author Kit. Paper Template is also available on the website.

Only full papers (8-10 page) can be candidates for NET Special Edition publication.

Please note that 2-page extended abstracts will NOT be considered for NET Special Edition publication.

Please DO NOT put page numbers on your final paper; we will re-number the entire conference proceedings.

## **Step 3: Online Submission of Revised Full Papers or Revised Extended Abstracts by February 24, 2023**

Once full papers/extended abstracts are reviewed and approved, author may then upload their revised full papers/extended abstracts for publication. Again, please submit both a PDF and Word file. Hard copies of papers are no longer required. Note that the secretariat will not edit or proofread your revised full papers/extended abstracts. Please do not put page numbers on your paper; we will re-number the entire congress proceedings.
